Gold Drop provides inclusive workforce

HIGHLIGHTS

“Gold Drop has always believed in improving the lives of women and their families right from the inception.

Hyderabad: "Gold Drop has always believed in improving the lives of women and their families right from the inception. We know that there exists a lack of gender parity in the labour workforce across India and we are doing our best to bridge that gap which will lead to greater economic output," said Mitesh Lohiya, Director, Sales and Marketing, Gold Drop, an edible oil brand.

Most of those in the workforce come from the neighborhood of our factories and this improves the community through useful economic activity. We have women in our packing line in a
